COPIA INFORMATIVA

Dear Colleague,

Greetings from the University of Jyväskylä (JYU)! We are pleased to welcome your students to our 16th International Summer School in Human Sciences arranged on **20 May - 14 June 2019**. This interdisciplinary event comprises of 22 courses, covering a wide range of topics within Communication & Culture studies, Business & Economics, Education, Social sciences and Sport & Health sciences, and provides a versatile free time programme. The deadline for student applications is **1 March**.

Please note that we accept to the Summer School only students from universities with which JYU has concluded an agreement, alongside with JYU students. Therefore, we charge no tuition or registration fees, which is highly exceptional among international summer schools.

Students are accepted to the Summer School in the framework of the bilateral cooperation agreements between the University of Jyväskylä and partner universities. As a rule, we can accept maximum ten students in total per partner university to the Summer School. If it looks like you have more than the maximum number of students interested in applying, please contact us at hsss@jyu.fi. Furthermore, because most of the courses have defined a maximum number of participants, we cannot accept more than five students per partner institution to a course. If more than five students have applied to an individual course from a partner university, we expect the home university to sequence the applicants.

More information on the Summer School can be found in the enclosed brochure and at www.jyu.fi/hs-summerschool. Please pass on this information to your students and faculty members. We look forward to welcoming your students to the Summer School, to study in a multicultural setting and to experience our beautiful campuses and the Finnish summer.

With best regards,

Sanna Patja

International Summer School in Human Sciences 2019

Welcome to Finland!

EXPERIENCE TOP-QUALITY EDUCATION AND UNIQUE NORDIC NATURE

The University of Jyväskylä welcomes you to the International Summer School in Human Sciences on 20 May – 14 June 2019

STUDENTS from partner universities all over the world as well as local students are invited to apply for the Summer School. The programme is intended for undergraduate or graduate students majoring in communication, economics, education, language and culture studies, management and leadership, philosophy, psychology, sport and health sciences, social sciences, music, anthropology or related fields.

THE DISTINCTIVE quality and solid reputation of the Finnish education system brings thousands of international students to the country every year. Jyväskylä is an exceptionally attractive study destination with its combination of top quality education and research, technologically advanced campus, safe and stable society, unique Nordic nature and landscape, and a wide range of sports and cultural events and activities.

COSTS

The University of Jyväskylä does not charge tuition for the courses from students of partner universities collecting eventual tuition fees of their own. There will be a small fee for the social programme. Students are expected to pay for their travel to and from Jyväskylä as well as living expenses and accommodation while in Jyväskylä.

ACCOMMODATION

Summer School participants will be accommodated in furnished study-bedrooms (with a shared kitchenette and bathroom) which also include basic domestic items, e.g. blanket, pillow, bed linen and basic kitchenware.

FREE TIME ACTIVITIES

TAKE PART in the free time activities and get to know the "little big city" of Jyväskylä and your fellow Summer School students. And first of all: have a good time!

Free time programme includes:
- cultural tours
- getting to know Finnish life and society
- informal get-togethers
- sports
- and much more!

JYVÄSKYLÄ is a prominent school and university city with a cozy, international, youthful and innovative atmosphere.

I really enjoyed the opportunity to interact with various people from other cultures.
